IPEC-Americas is excited to invite you to be part of the **2021 EXCIPIENT WORLD CONFERENCE & EXPO.**

Join us at our annual event as we reconnect with our community **and celebrate 30 years of excipient leadership!**

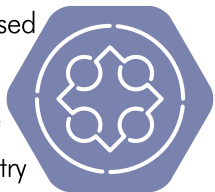

**Gain insights** in our educational sessions— Excipient World is designed by and for the industry.

The content of our conference program is determined by subject matter experts in the field of excipients.

- Evaluate nonconventional technologies
- Learn about multi-functional excipients that play an important role in innovating delivery technologies
- Enhance the efficacy of drugs
- Understand regulatory and compliance initiatives
- Learn about new solutions for your formulations

**Collaborate** with excipient-focused professionals in the exhibit hall— which has been designed to facilitate information exchange between industry stakeholders.

**Connect** with like-minded peers and colleagues at networking functions — Excipient World brings together professionals from pharmaceutical, biologics, veterinary medicine, combination device and consumer healthcare product manufacturers.

September 27:  
**WORKSHOPS**  
September 28–29:  
**CONFERENCE & EXPO**
